OPULENCE THOROUGHBREDS' TWO-YEAR-OLDS

At Opulence Thoroughbreds, we put an emphasis on purchasing the highest quality yearlings and breeze up horses at the best value, and have had great success with our purchases year on year. The 2022 season saw our two-year-olds perform remarkably well on the track, earning us £82,000 in prize money and £55,000 in bonus money, as well as an extraordinary strike rate of 48% on the All-Weather. Our success extended to the sales ring too, where REVENITE earned a tremendous £200,000 at the Horses in Training Sales after winning two of his three starts. Bought for £50,000 as a yearling, his prize money, bonus money and sales proceeds amassed a profit of over £180,000 in a period of just 11 months. This is a model that we aim to emulate with every purchase.

All of our yearlings and breeze up horses are carefully selected from the top sales, chosen for their strength, athleticism and conformation, along with excellent pedigrees from proven, winning families. Once purchased, they are sent into training to embark on their racing careers as two-year-olds, and will be sold when they are at their highest possible value. We pride ourselves on having a number of the best trainers in the country within our ranks, who aim to bring the best out in each horse.

In purchasing shares in our horses, owners are able to enjoy all aspects of racing, from visiting their horses in training to the thrill of race days, as well as receiving their share in prize money and sales proceeds. With an exceptional string of two-year-olds in hand for 2023, we look forward to seeing the results on the track.

A handwritten signature in white ink, appearing to read 'George Gill', is positioned above the name and title. The signature is fluid and cursive, with a large initial 'G'.

The trade was extremely strong in Book 1, but this colt was at the top of our list and we were delighted to be able to secure him. He has a cracking action, great flexion and plenty of scope. His sire, NIGHT OF THUNDER, is having a fantastic stallion campaign with sprinters, including HIGHFIELD PRINCESS, who took a Group 1 treble last year - "Timeform rates her not just the best sprinter in Europe but the finest [sprinting] filly or mare in the world."

His dam is from an impressive family with a long history of Stakes winners. Half-sister to Group-winner SHAMWARI LODGE and Listed-winner IMPERIAL ROME, we think she has the potential to produce a star in our colt, having had two winners from two runners with moderate sires. A quick, precocious type from a family steeped in black-type, he ticked all the boxes for us!

We were drawn to this elegant filly because of her great physical and fantastic action. She is very light on her feet and looks a strong, well-bodied model out of WARM WELCOME, dam to three winners and half-sister to Listed-winner JULIETTE. She has an excellent family and descends from Classic-winning third dam, ALL ALONG, who was an exceptional racemare that won the Prix de l'Arc de Triomphe and was the first filly to win the American Horse of the Year Award.

Her sire is SOLDIER'S CALL, a first-season sire who was Champion two-year-old in France and Europe's fastest two and three-year-old of his generation. He is a son of SHOWCASING, sire to numerous high-class two-year-olds including "explosive miler" MOHAATHER and triple Group 1-winner ADVERTISESE.

This striking colt has all the looks and the action. By TEN SOVEREIGNS and out of a winning GALILEO mare, he has speed and pedigree on his side with all the makings of a top performer. He caught our eye immediately - a scopey, good-looking individual with an impressive presence. It's hard not to be excited by him.

TEN SOVEREIGNS cut an impressive figure himself - unbeaten at two years old and winner of not only the Group 1 Middle Park Stakes, but also the Group 1 July Cup, with two of the fastest ever times. He is already making a successful start as a first season sire, landing a win with his first runner, BRIGHTER, who "looks a Group winner in the making for Aiden O'Brien". His dam, TRACING, is a winning GALILEO mare and daughter to the 108-rated Group-winner ISHVANA, who won the Jersey Stakes at Ascot and beat stallion SLADE POWER in 2012. This fantastic family descends from French mare SEA VENTURE, who produced nine winners and a long line of black-type winners.

In looks and pedigree this colt is all speed. He is a sharp, racy individual with a lot of strength and looks the spitting image of his sire, PROFITABLE, who had an exceptional first two crops with four Group winners overall. He was the fastest Group 1 sprinting son of INVINCIBLE SPIRIT, and not only was he rated superior to his sire on the track, he also outperformed KINGMAN's first crop at stud. He has certainly put his stamp on our colt!

MAY DAY QUEEN was a useful two-year-old trained by Richard Hannon Senior, and is half-sister to Listed-winning ASIDIOUS ALEXANDER and 103-rated ACCEPTED. She is the dam to four winners from five runners, including MUKHMAL, who has won three times and placed second in a Listed race and 4th in the Group 3 Molecomb Stakes.

This good-looking colt captured our attention immediately at the sales: athletic with a swinging walk, he looks every inch his Champion sire (albeit not grey!). He is exceptionally light on his feet and looks very promising in his work.

DARK ANGEL's record speaks for itself - named Group 1 Champion Sprinter/Miler Sire for three years running. He is renowned as a Sire of Sires and has produced 13 individual Group 1 winners.

His dam, POPPET'S PASSION, is from a family teeming with black type that descends from Group and Listed-winner UPEND. She is half-sister to stallion OVERDOSE, European Champion Sprinter at three who won 16 races from 19 starts, and is a proven broodmare herself with five winners from six runners, including seven-time winner MUBAALEGH and 104-rated LORD TENNYSON.

This colt looks an exceptionally strong individual, with a great frame and a remarkably powerful hind end. His pedigree and physical are all speed and going by his sire's success with Stakes performers in his first season, this colt looks like one that will dominate on the course this year.

SIoux NATION was a high-class two-year-old himself, winning the Group 1 Phoenix Stakes and Group 2 Norfolk Stakes, before progressing on again at three. He is a son of the great SCAT DADDY, who was renowned for his phenomenal turn of foot, and sired some of the best racehorses of recent times. His winning dam, MARY MCPHEE, descends from a family layered with black-type, and has produced two winners from two runners, including Group-placed SUSSEX GARDEN. Her own dam AUNTY MARY produced six winners and was half-sister to seven-time Group winner ATTRACTION, who foaled four runners rated over 100.

This quality colt has great power behind, good bone and a strong shoulder. Trainer George Scott was equally impressed with him and we subsequently formed a new partnership, welcoming George into our training ranks for 2023.

He is by the dual Group 1-winner, TIME TEST, who broke the Royal Ascot Tercentenary Stakes record with his lightning turn of foot, and sired the highest number of Stakes winners in his first crop. HEADING NORTH is a winning mare by TEOFILO, who was broodmare sire to both Guineas winners in 2022 - a feat not achieved for 120 years. This was the most expensive colt of those we purchased, but worth every penny when you take his breeding into account. He looks the perfect sprinting type, sharp and compact with powerful quarters, and is showing plenty of ability in his work.

This will be TOO DARN HOT's first season as a sire, but given that he was unbeaten at two and European Champion at two and three, we are confident that he will be just as successful as his own sire, DUBAWI. Out of the outstanding Watership Down broodmare DAR RE MI, he has remarkable breeding potential from both sides of his pedigree. SOUVENIR DELONDRES is a winning SIYOUNI mare who was an excellent two-year-old with a Timeform rating of 102. She triumphed in a Listed race and the Group 3 Prix Eclipse, and this has carried over to her progeny with three winners from four runners, notably DR ZEMPF, an 111-rated colt with prize money totalling over 100k. We were particularly keen on this individual, who looks incredibly powerful and is built in the same mould as his sire. He has a fantastic action and based on his pedigree he has the potential to turn into a top performer. His dam, MARGARET'S MISSION, was a three-time winner herself and has produced a top performer already in her 110-rated filly SENSE OF DUTY, who has triumphed in four of her five races already, including Group and Listed wins.

A neat and nimble individual with a rapid turn of foot, it was this colt's game attitude and lightness of foot that really stuck with us. He clocked a great time in a very convincing manner in the breeze, and we doubled down on our regard for him when inspecting him afterwards. He has a very honest head, and shows great agility and a striking, purposeful action.

It is said that ACCLAMATION "is creating his own legacy" in our time, with an impressive list of stars on his roll of honour. With a total of 149 Flat Stakes performers, 30 Group winners and 35 other Stakes winners, he is amongst the very top of the sire leaderboard and doesn't look to be slowing down. CHICA LA HABANA is a winning mare by HAVANA GOLD, and out of the winner of the Listed Pretty Polly Stakes, ESLOOB, who won three times and placed twice from only six starts, including third in the Group 1 Fillies' Mile at Ascot.

This athletic colt exudes quality in all aspects. He has a rapid turn-of-foot and landed an excellent time in the breeze, behaving like the ultimate professional throughout. A lovely, balanced individual, he looks a sharp type and is one that we think will excel in the hands of Andrew Balding, who in the past five seasons has earned almost £3 million in prize money with his two-year-olds.

His family is speed through and through. Rated 92, his dam is no stranger to the winners enclosure, claiming 10 wins and a further 15 places during her career. She won more than £100,000 whilst racing, and is now continuing to impress as a broodmare, having already produced a two-time winner with her first foal. Our colt's sire, ACLAIM, made a name for himself in his first crop with Classic-winning CACHET, who is a breeze-up graduate herself. In fact, ACLAIM has had outstanding success with breeze-up horses in a short space of time, also siring Listed-winner ROYAL ACLAIM, who went on to place in a Group 3 at Longchamp.

MICK CHANNON KNOWS THIS COLT'S FAMILY AND SIRE LINE THROUGH AND THROUGH, HAVING BEEN THE TRAINER OF BOTH OF HIS PARENTS.

We were very taken by this horse, who for a tall, imposing type, retains great athleticism. He landed a very respectable time in the breeze, displaying an enormous stride, and had a lot of presence about him at inspection. Both parents, BUNGLE INTHEJUNGLE and KERRY'S REQUIEM, were trained by the great Mick Channon (ex-England footballer-turned-trainer). As such, he seemed the perfect fit for trainer Jack Channon, who recently took over the licence from his father.

This colt's sire, BUNGLE INTHEJUNGLE was a precocious two-year-old over 5f, as the winner of both the Cornwallis and Molecomb Stakes, with speed injected into the sire line from the "bullet", EXCEED AND EXCEL. His dam has some serious form too as a black-type performer, and was rated 102 as a two-year-old. She has produced two winners, including LYTHAM ST ANNES, who won nine times during his career, securing over £120,000 in prize money. She descends from a classy family, with a particularly noteworthy grandam, MOONLIGHT DANCE, who won the Group 1 Prix SaintAlary on her debut.

This was a filly that we liked more and more every time we saw her. She particularly stuck out to us in the breeze, delivering a quickly run performance, travelling fluently with a very strong finish. Physically she is very pleasing, as a tall, scopey filly with powerful hind quarters and a fabulous walk.

Her sire, CALYX, had his career cut short by a career-ending injury, but he had raw speed that saw him win all three of his starts prior to this, and his early retirement to stud was widely lamented. His impeccable breeding, however, lends him well to the job and he is expected to rank highly in the first season sire lists. DARA'S GIRL has already impressed as a broodmare, producing the winning SIXTEEN ARCHES from only her second foal, who took second place in the Group 2 San Clemente Stakes in Del Mar last season. Her mother, and our filly's grandam, is the seven-time winning sprinter DON'T CARE, who has produced four winners.

We were delighted with our purchase of this colt, securing him at huge value for money at 23,000 GNS. He is compact, powerful and masculine, with a mature mind. He breezed smartly, displaying a great action and neat head carriage, and looks the perfect type to go into training with Stuart Williams, who excels with these speedy, robust models.

His dam is a half-sister to NAVAJO CHIEF, eight-time winner including two Listed wins, and is a daughter of CHARM SPIRIT, who defeated TORONADO and NIGHT OF THUNDER in the Group 1 Prix du Moulin de Longchamp, before going on to beat the latter again in the Group 1 Queen Elizabeth II Stakes at Ascot. First season sire LAND FORCE looks an exciting prospect as the son of NO NAY NEVER, crossed with a Group-winning mare from the outstanding family of CASSANDRA GO. We have had great success with this sire, most notably with MOTORIOUS, who earned us 220,000 GNS in sales proceeds before going on to win a Group 3 at Santa Anita, and TYNDRUM GOLD, who won both of his starts in the hands of Roger Varian last year. This colt is a miler in the making and demonstrated a fantastic action in the breeze. He is built well with a strong physique and real substance to him, whilst retaining great athleticism.

Whilst MUHAARAR was a speed horse himself, he is making a name for himself as an excellent source of middle distance types, and had a surge of winners last season, notably the Varian-trained ESHAADA, who landed her first Group 1 win at Royal Ascot, whilst another of his daughters, ALBAFLORA, took second place in the very same race. Our colt's dam is a winning mare out of the half-sister to 120-rated DEACON BLUES, as well as THE TIN MAN, multiple Group 1-winner who earned over £1.2 million in prize money with trainer James Fanshawe.

When you purchase from the Arqana Breeze Up Sale, you can expect the highest quality horses, and this colt was a stand-out here for us. He made the top of our list after just one inspection, and we were determined to secure him, bidding to our highest purchase price of the sales at €270,000. For a strong, well-built type, he is remarkably athletic with an outstanding action, and one just has to watch his breeze to see how much power he has.

He is by NIGHT OF THUNDER, who is having a fantastic stallion campaign with sprinters such as HIGHFIELD PRINCESS, who took a Group 1 treble last year - "Timeform rates her not just the best sprinter in Europe but the finest [sprinting] filly or mare in the world." “G2-WINNING JUVENILES IN HIS FIRST TWO CROPS AND THE ONLY STALLION WITH MULTIPLE SPRINT GROUP WINNERS IN 2022.”

Profitable ex So Funny

Colour/Sex:
Bay Colt

Age:
2 Year Old

Trainer:
Clive Cox

Purchase Price:
150,000 gns

In the words of our bloodstock agent, Richard Ryan, “purchasing this horse was an easy choice to make.” He looks the spitting image of his sire, PROFITABLE, and just as powerful. He has an enormous stride which showed through on the breeze, travelling effortlessly to clock a great time. All in all, he looks very much like he will pack a punch on the track.

His sire, PROFITABLE, had an exceptional first crop with four Group winners, including QUICK SUZY and MIRAMAR. He was the fastest Group 1 sprinting son of INVINCIBLE SPIRIT, rated superior to his sire on the track, and now he is outperforming KINGMAN's first crop at stud. His dam is an American DISTORTED HUMOUR mare, full-sister to Group 3-winning COLIZEO, who had much success in the US as a three and four year old, earning himself a TimeForm Rating of 108. Grandam COLONY BAND was a Group-performer and Listed-winner, also in the US, before producing three winners as a broodmare.

SIOUX NATION SIRED 12 STAKES PERFORMERS IN HIS FIRST CROP OF TWO-YEAR-OLDS!

Sioux Nation ex Duljanah

Colour/Sex:
Brown Colt

Age:
2 Year Old

Trainer:
Roger Varian

Purchase Price:
40,000 gns

An extremely good-looking colt, this son of SIOUX NATION has plenty of scope and class about him. He has a lovely loose movement that extends to all of his paces, and covered the ground very well in the breeze. With speed on both sides of his pedigree, he should excel as a two-year-old, but has more than enough scope to progress on at three.

SIOUX NATION made an outstanding start to his stallion career last year, ranking as the leading first season sire and claiming two Group winners to his name. He was a high-class two-year-old himself, with multiple Group wins at two and three. DULJANAH has produced one three-time winner so far with SANDY PARADISE, trained by Richard Hughes. Her own dam is the full-sister to HOLY ROMAN EMPEROR, the top class multiple Group 1-winning juvenile, and Group-performing mare MILANOVA. The line descends from the great SECRETARIAT, who won the American Triple Crown and is still regarded as one of the greatest racehorses of all time.

TEN SOVEREIGNS WON THE MIDDLE PARK STAKES AND JULY CUP WITH TWO OF THE FASTEST EVER TIMES.

Ten Sovereigns ex Sea Goddess

Colour/Sex: Bay Colt	Age: 2 Year Old	Trainer: Roger Varian	Purchase Price: €200,000
--------------------------------	---------------------------	---------------------------------	------------------------------------

This tall, imposing colt was impossible not to like. He has a huge stride and a very easy, light action for such a large horse. Showing plenty of class and clocking one of the quickest times in the sale, he was an easy choice for us.

TEN SOVEREIGNS cut an impressive figure himself - unbeaten at two years old and winner of the Group 1 Middle Park Stakes and Group 1 July Cup, with two of the fastest ever times. He is already making a successful start as a first season sire, landing a win with his first runner, BRIGHTER, who "looks a Group winner in the making for Aiden O'Brien". Out of a GALILEO mare, this colt is superbly bred as the half-brother to Listed-winning POINT NEPEAN, who has earned £170,000 in prize money so far. His dam is from a family of winners and is high class herself, being the product of a GALILEO-DANEHILL cross, arguably the most prolific stakes-producing combination of all time and one that is renowned for producing top broodmares.
